TheNewWave

Shaping Our Future in Oral Health

NEWCASTLE 29th-30th OCTOBER 2010

Principal sponsor

You're invited.

The NSW Dental and Oral Health Therapist Association Inc (NSW DOHTA) is pleased to invite you to attend their 2010 conference to be held at the historic Newcastle City Hall.

Together with the wonderful support of Colgate we are able to bring you an innovative and progressive program, which offers all members of the oral health team the opportunity to hear the latest information on new technologies, arts in health, special needs dentistry and most importantly, how to take care of our own personal health and well being.

The theme 'The New Wave' encompasses the new era of the multidisciplinary oral health team. The topics and speakers selected for our program will enhance the oral health team providing the knowledge, skills and inspiration that will "shape our future in oral health".

We also invite you to join us for an informal pre-conference get together to meet up with old or new friends and colleagues at the Newcastle City Hall compliments of the Centre for Oral Health Strategy.

This year the conference dinner will be held at Harbourview Queens Wharf which is located on the picturesque Newcastle Harbour. Come along and be inspired by our guest dinner speaker Maggie Haertsch as she tells her amazing story of her aid trip to Kabul Afghanistan. The night would not be complete without plenty of fine food and wine and of course dancing with the very popular duo, Loonatic Fringe.
